third

pair

different

Third: Third is after second. It means to be number three.

The girl was the third person in line. She was number three.

Prompt:

Look at the alphabet strip, which letter is third?

What is the third letter in your name?

Different: Different means two or more things are not alike.

One shoe was green and the other one was purple so they are different.

Prompt:

Look around and find someone who has hair that is different than yours.

Look at the letters a and b or l and t, how are they different?

Most: Most means to have the largest amount.

I had the biggest bowl of popcorn so I had the most.

Prompt:

Who has the buttons on their shirt?

Who has the most teeth missing?

Which table in the room has the most chairs around it?

Pair: A pair means two of a kind.

I have a pair of mittens and a pair of shoes.

Prompt:

Can you think of anything that comes in a pair?
