RENTAL RESOURCES GUIDE

TRAVERSE CITY and SURROUNDING AREAS

How to Find a Rental Unit

Where to Look

1. The Classified section of the local newspaper such as the “Traverse City Record Eagle” or the “Preview”.
2. Bulletin boards in local laundromats, grocery stores, banks, etc.
3. Family and friends – they may know places that are available or might become available.
4. If there is a specific area that you are interested in living, drive or walk around that area. You may spot “FOR RENT” signs on trees, in yards, in windows, etc. Write down the phone number and call for information.
5. Contact the apartment listings and landlords in our Rental Guide.
6. Check with real estate agents and landlords. Look in the yellow pages of the phone book under “Real Estate Rental Service” or “Real Estate Management”.

Things to Think About

1. What type of unit am I looking at? Is it a single family home, mobile home, apartment, duplex, etc.?
2. What area is the unit located in? Is it within the city limits? What county?
3. You may want to check with the utility companies, DTE Energy, Consumers Power, Cherryland Electric, and Traverse City Light and Power, etc. to determine if there are deposits that are required.
4. Check with the landlord regarding any special restrictions on the unit such as no smoking, no pets, etc.
5. Find out what utilities you would have to pay (i.e., heat, electric, water, etc.)
6. Do a budget plan to assess whether the rental is affordable.

Making an Appointment

Once you have found a rental unit and it is what you are looking for, ask the owner for an appointment to see the unit. **Be sure to keep the appointment and be on time.** You may want to arrive early so that you can look around the neighborhood and get a feel for the community. Remember: meeting with a landlord is like a job interview; dress well and be pleasant. Above all, be honest.

RENTAL RESOURCES GUIDE

TRAVERSE CITY and SURROUNDING AREAS

Questions you should ask a Prospective Landlord

1. The full address and telephone number of the apartment/home you are interested in renting.
2. The name, address, and telephone number of the property owner or his/her agent.
3. The number of bedrooms and bathrooms in the home.
4. Amount of rent the landlord is asking.
5. The amount of Security Deposit required.
6. Will you accept Section 8/Housing Choice Vouchers?
7. The type of utility service installed for the home. Is any utility included in the rent?
 - Heat
 - Electric
 - Water
 - Sewer
 - Lawn Maintenance
 - Snow Removal
 - Trash Pick-up
8. If utilities are not included in the rent, you need to ask the prospective landlord the following questions:
 - a. What heats the home? Is it natural gas, propane, electric, fuel oil?
 - b. What type of cooking does the unit have? Gas, propane, electric?
 - c. What heats the water? Gas, Propane, Electric, Fuel Oil?
