AGREEMENT AND RECOGNITION

This agreement entered into by and between the Board of Education of the Alba Public School District, hereinafter called the “Board” and the Northern Michigan Education Association/Michigan Education Association/National Education Association, hereinafter called the “Association”.

WITNESSETH

WHEREAS the Board and the Association recognize and declare that providing quality education for the children of the Alba Public School District is their mutual aim and that the character of such education depends predominately upon the quality of the teaching service, and

WHEREAS the members of the teaching profession are particularly qualified to assist in programs designed to improve educational standards, and

WHEREAS the Board has statutory obligations, pursuant to Act 336 of the Michigan Public Acts of 1947, as amended, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment, and

WHEREAS the Parties, following expanded and deliberate professional negotiations, have reached certain understandings which they desire to memorialize.

In consideration of the following mutual covenants, it is hereby agreed as follows:

- A. The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in Act 336, as amended, for all certified professional personnel, including teachers on tenure or probation, and guidance counselors, but excluding substitutes, supervisory and administrative personnel and office and clerical employees. The term “teachers”, when used hereinafter in this agreement shall refer to all employees represented by the Association in the bargaining or negotiating unit as defined above.
- B. The Board agrees not to negotiate with any teachers’ organizations other than the Association for the duration of this agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without the intervention of the Association if the adjustment is not inconsistent with the terms of this agreement, provided that the Association has been given the opportunity to be present at such adjustments.

ARTICLE I INDIVIDUAL EMPLOYEE RIGHTS

- A. Any teacher may be a member of the Association and may pay Association dues.
- B. Nothing contained herein shall be construed to deny or restrict to any teacher rights he/she may have under the Michigan General School laws or applicable civil service laws and regulations.

- C. In the event of any legal action against the Employer brought in a court or administrative agency because of its compliance with this article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
 - 1. The Employer gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
 - 2. The Employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
- D. The Association agrees that in any action so defended, it will indemnify and hold harmless the Employer from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Employer's compliance with this Article, but this does not include any liability for unemployment compensation paid under the Michigan Employment Security Act.

ARTICLE II GRIEVANCE PROCEDURE

- A. A claim by a teacher or the Association that there has been a violation, misinterpretation or misapplication of any provision of this Agreement or policy unrelated to prohibited subjects of bargaining.
- B. LEVEL ONE: In the event that a teacher believes there is a basis for a grievance, the teacher shall first discuss the alleged grievance with his/her building principal either personally or accompanied by his/her Association representative. The grievance must be filed within fifteen (15) school days of the violation, misinterpretation or misapplication. School days shall not include scheduled vacation days or other unscheduled closures. However, grievances shall be processed over summer vacation, when "school days" shall mean Monday through Friday, not inclusive of legal holidays.
- C. LEVEL TWO: In the event that the aggrieved person is not satisfied with the disposition of his/her grievance at level one, or in the event that no decision has been rendered within fifteen (15) school days after the presentation of the grievance, he/she or the Association may file the grievance in writing to the superintendent within five (5) school days after the decision at level one, or lack thereof, at level one. Within ten (10) school days, the superintendent, or the superintendent designee shall meet with the teacher and/or the Association for the purpose of resolving the grievance, and shall indicate his disposition of the grievance in writing within five (5) school days of such meeting and shall furnish a copy thereof to the teacher and the Association. If the Superintendent is the same person as the administrator in the Level One grievance, the grievance shall by-pass the Level Two stage and proceed directly to Level Three.
- D. LEVEL THREE: If the grievance is not settled at level two, it may be referred in writing to the Board of Education within five (5) school days after receipt of the decision in level two. The Board shall hold a hearing or designate one or more of its members to hold a hearing, or otherwise investigate the grievance, or prescribe such other procedures as it may deem appropriate for consideration of the grievance. The Association shall have an opportunity to

present its views at the level within twenty (20) school days to the Board, or its representative, as it may authorize. Within twenty-five (25) school days after receipt of the grievance, the Board shall render a decision on the grievance and present it in writing to the aggrieved teacher, the Association, the principal/supervisor, and the superintendent.

- E. LEVEL FOUR: If the Association is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator. If the parties cannot agree as to the arbitrator, he/she shall be selected by the American Arbitration Association process. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or to relay any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to or subtract from the terms of this agreement. Both parties agree that judgment thereon may be entered in any court of competent jurisdiction.
- F. The cost of any arbitration under this Article shall be divided equally between the Board and the Association.
- G. The grievance form shall be attached to the Master Agreement as Appendix D.

ARTICLE III SENIORITY

- A. No later than 30 days following the ratification of this agreement, and by every September 30 thereafter, the Board shall prepare a seniority list. Seniority is defined as continuous service within the bargaining unit. All teachers shall be ranked on the list in the order of their effective date of employment (meaning the first day they actually worked). In the circumstance of more than one individual having the same effective date of employment, all individuals will be ranked, first by their degree, i.e. BA, MA, EDS, etc., next according to the number of college semester credits they have accrued.
- B. The seniority list shall be published and posted conspicuously in all buildings of the district by October 15 of each school year. Revisions and updates of the seniority list shall also be published and posted as they are made. A copy of the seniority list and subsequent revisions and updates shall be forwarded to the Association.
- C. A teacher shall lose seniority rights if he/she retires, resigns, is discharged, or leaves the bargaining unit.
- D. A tenured teacher who is promoted or assigned to a supervisory or administrative position and is subsequently returned to a position in the Association, upon his/her return to the Association a tenured teacher will be restored to the contract rights which he/she would have achieved if he/she had remained in the Association providing he/she has been continuously in the employ of the Board. Seniority shall accrue for the teachers on various forms of leave as determined by the Agreement.
- E. Laid off teachers who have collected unemployment during the summer months or school breaks and are recalled to Alba Public Schools will be required to pay the district the collected unemployment benefit.

- F. If the Board commences annexation or consolidation procedures, the union will be notified in advance and the Board will discuss procedures for such a merger with the union.

ARTICLE IV BOARD RIGHTS

- A. The Board on its own behalf and on the behalf of the electors of the district, hereby retain and reserve unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the constitution of the State of Michigan, and of the United States, including but without limiting the generality of the foregoing, the right:

Nothing in this Master Agreement shall be construed to limit the powers and responsibilities conferred upon the Board or the superintendent under the laws of the constitution of the State of Michigan. Specifically, the rights and responsibilities as conferred under the school code and the tenure law are preserved.
- D. The Board will attempt to prevent children from involvement in Association/Board controversies.
- E. The listing of specific management rights in this agreement is not intended to be, nor shall it be restrictive of, or a waiver of, any rights of management not listed and specifically surrendered herein, whether or not such rights have been exercised by the Board in the past.

ARTICLE V TEACHER RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every teacher may join and support the Northern Michigan Education Association for the purpose of engaging in

The teacher recognizes that all disciplinary actions and methods invoked by them shall be reasonable and just, and in accordance with established Board policy. It shall be the responsibility of the teacher to report to his/her principal the names of any student who, in the opinion of the teacher, needs particular assistance from skilled personnel. The teacher shall, upon request, be advised by the principal of the disposition of the **teacher's** report that a particular student needs assistance.
- B. Any case of assault upon a teacher shall be promptly reported to the Board or its designee. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall promptly render all reasonable assistance to the teacher in connection with any incident by law enforcement and judicial authorities. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher.

Copies of all such dated notices shall be provided to the teacher for signature within a reasonable period of time. - D. No material, including but not limited to student, parental, or school personnel complaints, originating after initial employment will be placed in the personnel file maintained in the employee's name unless the employee has had an opportunity to review the material. The employee may submit a written notation regarding any material with which the bargaining unit member disagrees, including complaints, and the same shall be attached to the file copy of the material in question. When an employee is requested to sign material placed in the bargaining unit member's file, such a signature shall be understood to indicate the bargaining unit members awareness of the material but shall not be interpreted to mean agreement with the content of the material.
- E. Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and property but shall not be individually liable for damage or loss to person or property except in the case of gross negligence or neglect of duty.

ARTICLE XVI MISCELLANEOUS PROVISIONS

- A. During inclement weather, or when schools are closed for any reason, teachers will not be required to report for duty.

- C. All conditions of employment, including teaching hours, extra compensation for duties outside regular teaching hours, relief periods, leaves, and general teaching conditions shall be maintained at not less than the highest minimum standards in effect in the district at the time this Agreement is signed, provided that such conditions shall be improved for the benefit of teachers as required by the express provisions of this Agreement.

This Agreement shall not be interpreted or applied to deprive teachers of professional advantage heretofore enjoyed unless expressly stated herein. This Agreement shall also not be interpreted to prohibit the Board from making program cuts should economic shortage or declining enrollment occur.

- D. In the event of a teacher absence, the Superintendent or designee shall have the responsibility of arranging for and contracting a substitute teacher for that day or days. Teachers who substitute during their prep periods or who include students from another classroom to assist with coverage

during the absence of a colleague, shall compensated at the rate of twenty-five dollars (\$25.00) per hour for each hour of substituting during such emergency.

- E. The Board may require, once during the school year, a physician's statement, or at its expense, employ a physician and/or psychiatrist to conduct an appropriate examination to determine an employee's fitness.
- F. The board and the association will work together to inform all bargaining unit members about their options when certification or qualification issues arise.
- G. An emergency manager appointed under the Local Government and School District Fiscal Act is authorized to reject, modify, or terminate this agreement as provided in the Local Government and School District Fiscal Accountability Act, 2001 Public Act 4. The parties have included this language due to the requirement of Section 15(7) of the Public Employment Relations Act.

ARTICLE XVII NEGOTIATIONS PROCEDURE

- A. It is contemplated that matters not specifically covered by this Agreement but of common concern of the parties shall be subject to professional negotiations between them from time to time, during the period of this Agreement, upon request by either party to the other. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters.
- B. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the Michigan Employment Relations Commission or take any other lawful measures it may deem appropriate.
- D. The parties agree to begin the negotiation process beginning March 1, prior to the end of the contract year.

PAYROLL RESOLUTION
(Pursuant to Article VIII of the Master Agreement)

WHEREAS-- Internal Revenue Code (IRC) Section 414(h)(2) permits employer "pick-up" of the employee portion of contributions to a retirement plan, thereby resulting in tax deferral of employee contributions; and
